Organizers

Add organizers to expand the functionality.

Elegant Wall Bar for our wide
line of organizers.

With a Proline TV stand from Pedestal, the screen becomes a flexible tool in meeting rooms. Change the angle or move the screen depending on the purpose of the meeting.

Proline is useful in meeting and conference rooms, showrooms or at trade fairs and exhibitions. With its elegant design, it fits in with the modern decor, and with the wide range of accessories, you achieve an individual and functional solution.
